[Brass beauties]

The latest Ghidini 1961 collection celebrates the beauty of brass. Like butterfly lenses, the Ninfe tables float, stand alone or pair together. The Baker umbrella stand has a handle conceived as a hook for foldable umbrellas. (ghidini1961.com)

Living LOVES

Primitive luxury

Modern goes back to essentials. It presents primitive luxury with these animal-shaped vessels... a mix of natural and artificial materials, like this white clay. For a connection with nature. (moooi.com)

Smart choice

Faber's latest built-in ovens fit easily into kitchen cabinets and can be installed at eye level. They also come with a sensor touch control and electronic display. High tech at best. (faberindia.com)

Glowbeams

With the usually stunning Italian handicraft, the Eclis Mage floor lamps are a feast to the eye. They come with one-of-its-kind remote control to adjust the intensity and colour temperature of the light beam. (ecerbisdesign.com)
