

OUT OF THE HOOKED RAIL...

Carries generations. **Orla Kieler** has focused primarily on making timeless pieces, which is proven in all possible shapes and finishes (gold, copper, brass). The new **Orla 1 887** collection of furniture, lamps and household accessories was unveiled under the artistic direction of Doris Dörner. This contemporary classic collection of furniture, upholstery and modern art objects – such as this polished brass **Drying Cabinet** – was unveiled as **Eller Design** (look it up: www.eller1887.com).

ON SHOW

Di Luger & Söhne began with a small selection of local wood brands and today works with the **CO & J Baker**, **Dalby**, **Milano**, **Uomo**, **Bliss** and **Colo & Co.** They've opened their wings again and opened doors to a new leader in Italy in **Comacina** design studio. In this new address on **Viale Dante** the team – including **Franken**, **Salgado**, **Deer**, **Dorner** and architect **Deer** – has designed a space inspired by the regional brands that company represents, using local

OUTSIDE STYLE

The **Barna** collection designed by **Doris Dörner** for **Form** consists of elegant and comfortable outdoor furniture that's also durable thanks to the high-performance materials used. The same can be said of the new multi-category line **Terracotta**, **Comacina**, **Salgado**, **Deer** and **Franken**. It's beautiful as any interior wooden chair, table or sofa. In a range of colors and are designed to work with outdoor materials like stone, wood and woven metal. Available at **Comacina**, www.comacina.it

LOOKING AND FUNCTIONAL

Inspired by **Ugler** heavy and antiques, **U Dörner's** **Tulum** collection embraces the brand's design approach: others' traditional influences are reinterpreted with a contemporary aesthetic. The **Tulum** **Lighting Case** is a fabulous combination of style, appearing both modern and modern as well. A brass frame forms the outline of the table, the base of which is set with an original magnifying glass. www.eller1887.com
