Exclusive

Tables, sofas, chairs and fine porcelain. Outdoor furniture. Here's a selection of iconic design pieces in shades of silver to imbue your floating villa with personality and originality

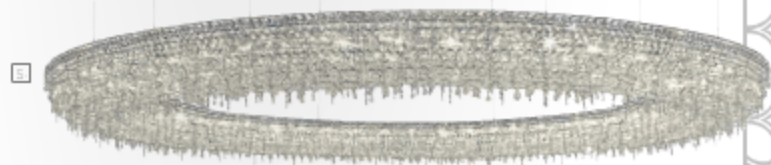

by Marie Bernasconi

1. DAA has created the outdoor-indoor **Hen** chair combining curved metal with a classic fashion fabric pattern upholstery. 2. The typical bistro tray evoked in **Live/Ly** enhanced by select materials and with the addition of a leather cord for hanging it up. **By KnIndustrie**

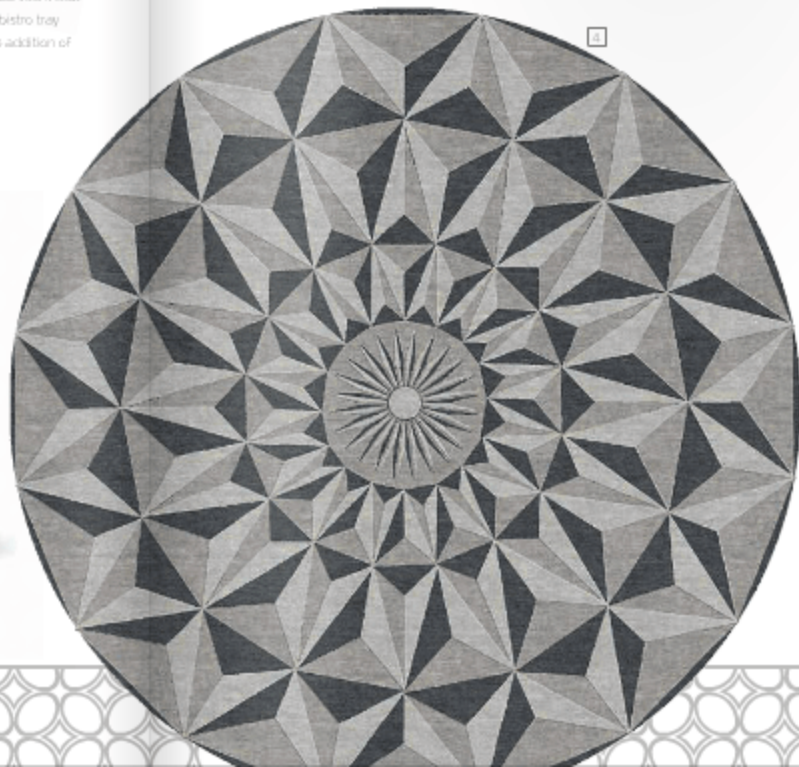

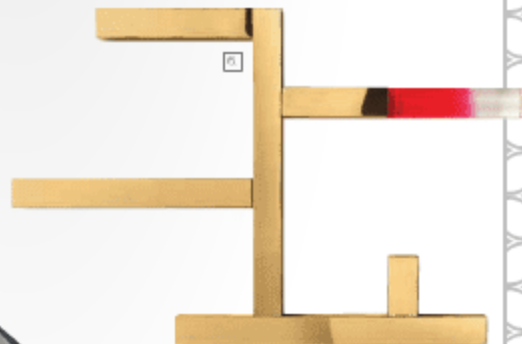

3. The **Targa** sofa displays the unmistakable styles of **Gebrüder Thonet Vienna**. The curved beech frame and woven rattan strip on the chair back.

4. The geometric **Giorgetti Atmosphere** carpet - robust and soft at the same time. It is hand-made in bamboo silk or natural silk.

5. The **Alpha Project** chandelier by **Lolli and Mermoli** is made in Italian crystal. The different elements can be assembled and layouts created to suit generous spaces.

6. The collaboration between **Andrea Branzi and Ghidini 1961** has given rise to **Incrocio**, a hanging metal frame that is both a sculpture and a support for small objects.

7. **Sabaudio** is a chair produced by **Fratelli Boffi**. It has sleek yet welcoming lines, a wood frame and leather upholstery.
